

YOU Can Make *a Difference* MEET JORDAN, AGE 13

Challenges: Cerebral Palsy, non-ambulatory, and ASD

The Gift: Shower Chair

The Benefit: "Jordan is not able to walk and he weighs almost 100 lbs, Giving him showers is extremely difficult as a single mom and his only caretaker. I can barely lift him and it is incredibly unsafe for him. This shower chair will allow me to bathe him safely and more consistently. It also will allow for a sense of independence as he will be able to wash himself to an extent if he is seated in the shower chair."

The Goal: \$320, the cost of the shower chair

Deadline: Please help us reach our goal by Sunday, November 30th.

Thank you for supporting the My Gym Foundation. Your donations will change Jordan's life for the better.
